The Minister,

Revenue and Law Department,

B a n g a l o r e.

Most Respected Sir,

I the undersigned beg to bring the following few lines to your kind consideration and favourable needful in the matter.

I was working in the Mysore City Municipality as an Motor Manager for the last 1 1/2 years, to the entire satisfaction of my superiors. Just a few days back i.e. on 10th December 1944, I received a memo stating that my services have been terminated with due to over age as per rules.

It is a fact that I have given a [redacted] date of birth at the time of sending my application to C. I. D. secretly without consulting my father the actual date of birth that is 14/10/1917. I have herein enclosed the affidavit certificate given by the City Magistrate for your kind information and also for the kind needful in the matter. Generally in our Maharashtrian Community we are not in the habit of keeping horoscope, and so I was not able to give the correct date of birth at the time of my sending the application.

Under the such circumstances explained above my case may kindly be reconsidered just to reappoint me in the vacancy which I was working.

Even though my poor representation is not reconsidered by your honour, my existence in the world is not worthwhile, since I am very poor and purely depending upon in this poor salary.

For

For which act of kindness, I shall be ever remain
grateful to your honour.

I beg to remain,

~~Bangalore~~

=====

Respected Sir,

I beg to bring the following few lines to your honour's kind and sympathetic consideration and early favourable orders.

I beg to state that I was appointed as an acting Octroi Manager in the Mysore City Municipality in September 1943, pending advertisement and disposal of the vacancy. I was also one of the applicants that applied for the post through the Central Recruitment Board. In that application I gave my date of birth as 14/10/1914. As my father was not then in the station, I could not consult him before giving my date of birth. Soon after his return, I consulted him and I was given to understand that the date given in the 1st application was wrong and that the correct date of birth was 14/10/1917. Immediately I submitted a sworn statement given before the Second City Magistrate, Mysore by my father and forwarded the same to the Secretary, Central Recruitment Board, for being substituted for the date already given.

To my great surprise I got orders from the -

p.t.o.,

President, Mysore City Municipality in December 1944, dispensing with my services for the discrepancy in my date of birth.

I beg to submit once again that there was no motive on my part to exaggerate my date of birth in my first application and to reduce the same later on. Since I could not know my correct date of birth, a mistake has arisen in the 1st application which has been subsequently corrected by my father who has sworn to the affidavit which has given before the Magistrate

I belong to a poor family, and my family consists of five souls. I am the only earning member in that I have no other source of income to support my family in these hard days and to pull on. In these hard days, if I am deprived of my appointment, my family would be put to great hardship and untold miseries.

In the above circumstances, I request that my prayer may kindly be re-considered once again and that I may be re-appointed in my original place.

For which act of kindness and generosity I shall remain grateful.

Mysore,
